

Happy Valentine's Day!

Sampson County 4-H invites YOU
to participate in this year's Valentine Drive.

In years past, YOU have helped us go beyond our goal to collect and distribute over 2,500 Valentines for senior citizens and individuals living in assisted care facilities, such as group homes, nursing homes and Hospice patients.

We have put smiles on the faces of many
who have received our Valentines.
THANK YOU FOR YOUR CONTRIBUTION!!

Valentines may be homemade or purchased
